

# A RENEWED CALL...

**For the past 18 years**, as full-time staff with Singapore Campus Crusade for Christ, we've been privileged to serve in various capacities... including playing a part in pioneering & directing our music ministry, leading our Creative Communications ministry, and serving in the National Leadership Team. What a joy to see so many changed lives, and thousands encounter Christ through various relevant ways of outreach.

This past year, we spent a year in Orlando, Florida, at our Global Headquarters, and was tremendously blessed with a season of rest and renewal. As we sought the Lord for His next assignment, He gave us a renewed call, and is clearly leading us to serve Him for a season at our global HQ.

## God calls again...

The Lord used Luke 1:68, 74,75 to confirm in my heart what He has already been prompting me for several months.

**"Praise be to the Lord, the God of Israel, because he has come and has redeemed his people... to rescue us from the hand of our enemies, and to enable us to serve him without fear,**

## SIMON SHARES:

***in holiness and righteousness before him all our days."***

My God has redeemed me, redeemed my past, my story, and is now calling me to live & serve Him faithfully in the context of how He's written my life story. When I trace what He has been doing the past 2-3 years in my life, it is unmistakable that He orchestrated this next assignment for me. What a wonderful savior we serve!

## LILLIAN SHARES

God used Luke 9:61-62, the *very same passage* He had used to call me into full-time ministry back in 1991, to re-issue His call for me to give myself to Him whole-heartedly to serve Him, and to surrender my family into His hands.

I was worried (again) about my mom, and wanted to return to Singapore to care for her, but God made it clear... 'I will take care of her. You follow me!' So I entrust her into His care as I obey His call to serve in Orlando.

**I will follow you...**

## AN OPPORTUNITY FOR GLOBAL IMPACT

*“Part of my role is to challenge, train, coach and equip our staff and leaders to intentionally consider how we all need to use the digital tools and strategies at our disposal to effectively communicate the gospel and to disciple this generation.”*

Simon has been invited to serve in the Vice President’s Office (for Virtual-led Movements/Digital Strategies). He would have the unique opportunity to help shape and lead our global ministry to a greater engagement in using various digital, virtual & mobile tools & strategies. This would help our ministry better **win, build** and **send**, to see spiritual movements everywhere.

## Reaching our digital generation...

If we were starting a new ministry or church today, **how would we do it?** If our aim is to succeed in connecting and reaching this generation, we would likely use all the digital tools and social media platforms that are available **to be where people are...** to connect and reach them where they need to be reached.

*Where Christian population is low but internet adoption high, digital strategies are uniquely positioned to offer an opportunity to hear about Jesus and pioneer spiritual movements*

Through the years, by God’s grace, many of our efforts (through various internet & mobile strategies) have witnessed tremendous impact & fruit. Our desire is to see much more of it across our global ministry, and to share it with the global church as well.

*“When the Romans built roads 2,000 years ago, it gave Paul and the other disciples physical roads to bring the Gospel from town to town. **The Internet is the Roman Road of today** and the way that we (21st Century Christians) can carry the gospel to the ends of the earth.”*

## KIMBERLY

KIMBERLY, A DUTCH GIRL, WAS LOST, DEPRESSED AND DESPERATE. LIKE MANY DIGITAL NATIVES, SHE BROUGHT HER HEARTFELT QUERIES TO THE INTERNET. SHE BEGAN SEARCHING FOR GOD ONLINE, WHERE SHE FOUND JESUS ON ONE OF OUR WEBSITES. SHE WAS FOLLOWED UP, AND TODAY SHE SERVES AS A FULL-TIME STAFF WITH ONE OF OUR EUROPEAN MINISTRIES.

## AMINA

THE TYPICAL MIDDLE-EASTERN YOUTH MAY NOT HAVE ACCESS TO A PHYSICAL BIBLE, OR EVEN MEET A BELIEVER. BUT THEY HAVE A MOBILE PHONE, AND CAN HAVE EASY ACCESS TO DIGITAL MEDIA & RESOURCES. THIS PRESENTS A GREAT OPPORTUNITY. WE HEAR COUNTLESS STORIES OF MANY COMING TO FAITH THROUGH SUCH WAYS.

## PASTOR PHILIP

ONE RECENT STRATEGY SAW 60 PASTORS IN MOMBASA, KENYA, EQUIPPED WITH THEOLOGICAL TRAINING THROUGH THE USE OF MOBILE PHONES. PASTOR PHILIP WAS ONE OF THEM. HE SAID *“I thank God for having access to mobile learning. I benefitted a lot in that I, being a pastor, had not gone to any theological college because of family commitments. It was as if my dream of studying the word of God had come to an end. But thank God and also for the brothers who came with this idea.”*

*We invite  
you to be  
partners  
with us...*

God has always been faithful to provide (for the past 18 yrs) often in ways that we least expect. We know this next adventure will be no different.

We have come to depend on him to supply all our needs, **through the partnership of His people.**

And so we would like to invite you to consider being part of our team! Together, we can make an eternal difference in the lives of many.

#### OUR NEEDS

We will need to raise a one-time amount of S\$35k, and an additional \$2k monthly. This will cover our airfare, health insurance, visa fees, settling-in expenses, school etc.

Would you pray about being partners with us in this exciting journey?

If the Lord leads you to give financially towards our needs, please email us to let us know, or use the attached reply envelope to indicate your response, and send in your gift.

You can choose to give a special one-time gift or pledge to give regularly toward our support (we have yet to raise the full monthly support toward paying our salaries).

Whatever you decide, **it is the partnership in the gospel that we treasure most.** Thank you so much for prayerfully considering to be part of our team!
